the big reason Builder Kemp is an American Saver

Now... high interest and insured savings were important considerations when Builder Don Kemp was deciding where to save... but the really important reason he selected AMERICAN SAVINGS was that he considered it one of the strongest institutions of its kind in the nation.

Builder Kemp wanted to be sure his money would be available when needed... preferably for his retirement now... but maybe for an emergency.

Engines training had taught him to look for facts, and here's what he found out about AMERICAN SAVINGS: \$150,000,000 in Assets make it one of the nation's 20 largest.

\$14,000,000 in Reserves make it one of the strongest in the country.

Founded in 1920, with 35 years of uninterrupted interest payments.

60,000 Account Holders, with many accounts active more than 30 years.

Interest paid quarterly - 4% current annual rate.
